

Addition

$10 + 8 =$

$12 + 7 =$

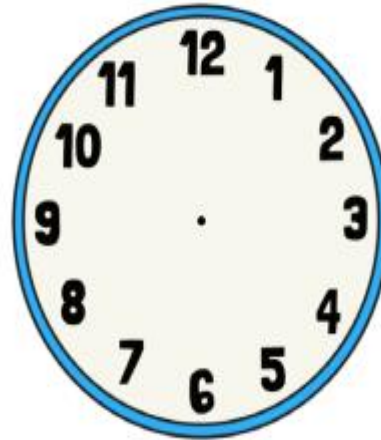

$14 + 9 =$

$20 + 10 =$

$22 + 6 =$

$25 + 2 =$

Draw the hands on the clock to show half past 2.

Draw the coins that I need to buy the toy.

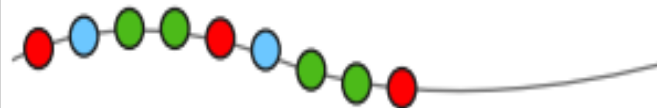

Draw 4 more flowers. Fill in the boxes to show how many flowers there are altogether.

$\square + \square = \square$

Draw and colour the next 3 beads in the pattern.

Can you make your own?

Phonics

In class, we have been practising reading real words and fake words. Have a go at the game below – Buried Treasure.
