Year 5 Homework – 15th September 2023

Roman Numerals

Draw lines to match the Roman numerals to the correct number.

XII	500
D	80
M	12
LXXX	14
XIV	1,000

Place Value

What numbers are represented in the place value charts below?

Ten thousands	Thousands	Hundreds	Tens	Ones	
●●●●●●	●●	●●●		●●●●	

Ten thousands	Thousands	Hundreds	Tens	Ones	
●●●●		●●●●●●●●●	●●	●●●●●●●	

| Ten thousands	Thousands	Hundreds	Tens	Ones	
●●	●	●●●●●	●●●		

Reasoning

I am thinking of a number.
My number has 8 ones.
The value of the hundreds column is $25 \div 5$.
The thousands column is V in Roman numerals.
What number am I thinking of?

Thousands	Hundreds	Tens	Ones

Shape

a) After a quarter turn anticlockwise, you are now facing the park.
What were you facing <u>before</u> you turned?

b) After a three-quarter turn clockwise, you are now facing the house.
What were you facing before you turned?
