Local School Trips and Sports Activities

During the academic year, your son or daughter may be involved in several local visits and sports activities and clubs.

Your assistance in completing this process will be appreciated. Any changes in your child's health must be highlighted to the school at the earliest convenience in writing. This consent is valid indefinitely from the date that the form is signed. Consent can be withdrawn at any point; this must be done in writing to the school. Withdrawal of consent only applies from the date it is withdrawn.

Photograph Consent

What you are consenting to:

Photographs and video images are regularly taken for the purpose of sharing with you directly our school displays and sometimes in other printed publications, such as school prospectus. We may also use them on our school social media sites, local press and trusted third parties such as the Diocese or Local Authority.

If a photograph of an individual pupil is used, we will not use the name of that child in the accompanying text. If a pupil is named in the text, we will not use a photograph of that child to accompany the article.

From time to time, our school may be visited by the media, Local Authority or Diocesan press team who will take photographs or film footage of a high-profile event. Children may appear in these images, which will sometimes be published in local or national newspapers, or on approved websites. To comply with GDPR, we need your permission before we can photograph or make any recordings of your child.

This consent is valid indefinitely from the date that the form is signed. Consent can be withdrawn at any point; this must be done in writing to the school. Withdrawal of consent only applies from the date it is withdrawn.
