Spring 1: The Fruit of the Spirit

What is worship? What do we do? What is our motivation? People worship all kind of things – family, football, celebrity, money, status etc. They put these things above others and make them a huge focus in their lives, sometimes disproportionately so. The Bible explains that worshipping God on the other hand doesn't come naturally and we need God's help to worship, act and live as he wants. This help is available through the Holy Spirit and we can see the "fruit" in our lives as he gives us this help. Paul writes to the Galatians about this fruit but we see the perfect example in Jesus.
